

## Pre-screening Appointment Information (& Self Test - which class should I take next?)

Thank you for your interest in dog-training classes at Marin Humane. If you haven't had classes with us before, in order to join us for an Intermediate, Advanced, or Specialty class, we ask that you schedule a pre-screening test. **The fee for the pre-screening appointment is \$60 and is due at the time the appointment is scheduled.**

Review the descriptions of the required behaviors outlined on the following pages for the class level in which you wish to register so that you may assess your and your dog's readiness for that level.

To schedule an appointment, please call 415.506.6280 or e-mail [OhBehave@MarinHumane.org](mailto:OhBehave@MarinHumane.org).

### What Happens?

- **You bring your dog to a pre-screening appointment** with one of our trainers. Appointments usually take 30-45 minutes, during which we will ask you and your dog to demonstrate the behaviors described below for the class you are interested in taking.
- You may bring your dog to the appointment wearing its regular walking equipment. A flat snap or buckle collar and a six-foot leash are required for use during the test.
- If you are planning on attending a Family Dog class series, after your Pre-screening appointment, a **Family Dog 1 or Small Dog 1 Orientation is required prior to taking any class**. This is needed to bring you up-to-speed on our training methodology and vocabulary. We will schedule you for an orientation after you have successfully completed the pre-screening appointment.
- An Orientation is **not** required for **Agility class placements**.
- When scheduling your appointment, please be prepared to answer the following questions:
  1. Age and breed (or size and best guess of mix) of Dog;
  2. Length of time with guardian;
  3. Previous dog training experience of guardian (years, type of training, type of dogs);
  4. The dog's previous training experience (with guardian or other);
  5. Your reasons for wanting to skip the formal pre-requisites;
  6. Which class you are hoping to take.
