TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Wednesday, March 1, 2023 at 9:00 am Pacific. Entries will be awarded by random draw of all entries received between 9:00 am Pacific Wednesday, March 1, 2023 and 9:00 am Pacific Wednesday, March 3, 2023.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from calongj@marinhumane.org to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2022-2023 membership year (8/1/22 - 7/31/23).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for Summit League – Dog has earned an ELT-CH or ELT3 title at least 14 days before the trial opens for entries. Any dog that has trialed twice in Summit League Trials during the calendar year will be considered to be an FEO entry for additional Summit League Trials.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above. Summit trials teams that meet the ELT-CH title requirement will be placed above teams that meet the ELT3 requirement in the draw.
- In the event that you are having technical difficulties with the entry system, please email trialeentry@nacsww.net prior to the end of the draw period.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
- If space remains after all qualified entries are accommodated on March 15, 2023, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after April 1, 2023.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 5:00pm Pacific March 8, 2023.

If you have a spam blocker on your email account, please configure it to allow email from calongi@marinhumane.org in order to ensure delivery of confirmation and information about this trial.

A waiting list for alternates will be started as soon as entries fill. Alternates will be contacted when a space opens. Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

NACSW reserves the right to cancel a trial if minimum entry numbers are not met.

Be sure you read and understand the guidelines for this trial before entering. By submitting a registration for this NACSW Trial, you acknowledge that you have read, understand, and accept the policies and liability information of NACSW.

LOCATION DETAILS

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

ADA Site Specific Conditions

This trial location is a private ranch and wedding/event venue located next to a busy road. The parking lot, pathways and search areas may require you to navigate rough, uneven terrain in dirt, mud, grass, wood-chip, sawdust, pavement, gravel, and/or wooded areas. There will be very long walks to the search areas that could involve moderate elevation changes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Parking

The parking lot is dirt and/or grass with little to no shade.

Reactive Dog Parking

There will not be reactive dog parking at this trial.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

RV Parking

RV parking is not available.

Running Vehicles or Generators in the parking lot

Running your vehicles or generators in the parking lot is not allowed at this trial.

Smoking

Smoking is not allowed on this trial site, including the use of e-cigarettes

Hotels

A list of area hotels is available here: [Rohnert Park Hotels](#) or [Santa Rosa Hotels](#).

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must contact calongj@gmail.com so plans can be made for the dog.

OTHER INFORMATION

COVID-19 Information

Event attendees are required to adhere to the NACSW [COVID-19 Event Guidelines and Rules](#)

In addition to those guidelines the following changes and guidelines are in effect for this trial due to COVID-19.

All attendees (competitors and volunteers) should bring a face mask as face masks may be required to be worn when indoors. Competitors are asked to bring their own hand sanitizer and disinfectant wipes.

If there are any significant changes or updates after the draw period, entrants will be notified via email. Competitors are responsible for staying up to date on any jurisdictional requirements for their home location as well as the trial location including any travel guidance.

Rules

Complete rules are available at www.NACSW.net. **It is the responsibility of each competitor to read and understand the current NACSW Rule book prior to participating in a NACSW event.**

Liability

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW, Marin Humane and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

Sportsmanship

All competitors/handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

Summit League Titles

The SMT Title is earned by placing in the top 20% overall of competing teams at a Summit League Trial.

No. of Competing Teams	No. of Titles to be Awarded
0 to 4	0
5 to 9	1
10 to 14	2
15 to 19	3
20 to 24	4
25 to 29	5

In the event of a tie for the last titling placement, both teams would receive a title. For example, if there are 25 competing teams and there was a tie for 5th place, both teams would receive a SMT title for a total of 6 titles given at that trial.

NACSW Results

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators

Spectating will be allowed at searches, space permitting and at the Certifying Official's discretion. Spectators may not photograph or video searches. Children under 18 must always be directly supervised by a parent/guardian. No dogs will be allowed in the spectator area. No unentered dogs with spectators are allowed at the trial. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete.

An adult accompanying a minor must be present during the searches.

Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.

Competitors are not allowed to watch the trial at any time.

Videotaping and Photography

At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the trial day.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All competitors, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
